The Squids® 3111\(F(x)\) Tool Lanyard features stainless-steel auto-locking carabiners with captive eyes on both ends other end to tether tools up to 15lb / 6.8kg and prevent falling objects on the job. If a drop occurs, the patented design reduces force on the body or anchor point by absorbing the energy transmitted through the lanyard. This tool tether is third-party certified to 15lb / 6.8kg maximum capacity and meets the ANSI/ISEA 121-2018 standard.

**Features**

- **MEETS ANSI/ISEA 121-2018** – Third-party certified to a 15lb / 6.8kg maximum working capacity with a 2:1 safety factor
- **SHOCK-ABSORBING DESIGN** – Reduces force on the body or anchor point if drop occurs
- **STRETCHY, DURABLE ELASTIC BLEND** – 1680-denier polyester elastic-blended webbing extends from 38-48in / 96-122cm
- **LOW-PROFILE & LIGHTWEIGHT** – Reduces snag hazards and added weight
- **CARABINER END** – #304 stainless steel auto-locking carabiner
- **CAPTIVE EYE DESIGN** – Design keeps lanyard body from becoming disconnected from carabiner
- **SINGLE-LENGTH CONSTRUCTION** – Eliminates weak points seen with multi-component lanyards
