

6962FR

FR NECK GAITER

ITEM #	COLOR
16962	Black
16964	Navy

The N-Ferno® 6962 FR Neck Gaiter is dual compliant to two flame-resistant standards, NFPA 70E and NFPA 2112, for protection against both arc flash and flash fire. This versatile, no-bulk winter gaiter blocks out all the elements to keep you safe and warm in the most demanding conditions.

Features

- FIRE-RESISTANT – Designed to be worn where arc flash and flash fire can occur
- DUAL COMPLIANT – Meets requirements of both NFPA 70E and NFPA 2112
- ARC RATED – Cat 2; 20 cal/cm² APTV
- VERSATILE – Wear around neck or pulled over mouth, nose and ears
- BREATHABLE WARMTH – Polartec® FR Power Grid™ fleece fabric enhances thermal capabilities while remaining lightweight and breathable
- MOISTURE-WICKING – Keeps wearers dry and comfortable
- COMFORTABLE – Smooth exterior, soft brushed interior
- LONG LENGTH – Easily tucks into jackets to trap heat
- MULTIPLE COLORS – Available in black or navy
- MACHINE WASHABLE

Applications

- Electrical
- Linework
- Refinery
- Paper/pulp industry
- Food processing
