

SKULLERZ®

# 8800

## CONTOURED FACE COVER MASK

The Skullerz® 8800 Contoured Face Cover Mask is intended to decrease the spread of Covid-19 by reducing dispersion of droplets when talking, coughing or sneezing. This breathable face mask is made of cotton twill and soft polyester mesh, meeting both CDC and WHO recommendations for multiple layers of protection. The internal mesh has an antimicrobial treatment that kills odor-causing bacteria. With an adjustable nose clip and ear loop sliders, this cotton face mask provides a comfortable and custom fit.

### Features

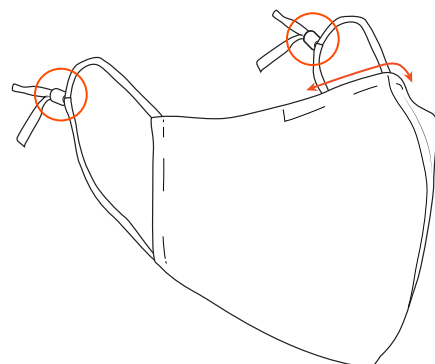

- TWO-LAYER – 100% cotton twill exterior and 100% polyester internal mesh for soft, breathable protection
- ERGONOMIC DESIGN – For optimal coverage of nose, mouth and chin
- ADJUSTABLE NOSE CLIP – For secure, comfortable fit and reduced fog when wearing eyewear
- EAR LOOP SLIDERS – Covered elastic with adjustable slider for comfortable, custom fit
- FORM FITTING – Extended chin coverage
- ANTI-ODOR – Internal mesh treated with antimicrobial Microbial Z06 kills odor causing bacteria
- REUSABLE – Machine washable and dryable for easy cleaning after each use
- THREE SIZES – Available in S/M, L/XL, 2XL/3XL (designed for larger head sizes and those with beards)
- MULTI-PACK – Includes three (3) face masks
