

# SKULLERZ® SAGA SAFETY GLASSES // SUNGLASSES

**PRODUCT DESCRIPTION:** The Skullerz® Saga Frameless Safety Glasses are lightweight, protective safety glasses. The frameless design offers a wide field of vision and a sleek and sporty look with all the features you've come to expect from Skullerz® Eye Protection at an outstanding value.

**INTENDED USE:** These products are intended for protection against high speed particles at low energy (F) at extreme temperature conditions, -5°C and +55°C, (T) in accordance with EN166:2001. Certain lenses have additional protection: Smoke Polarized Lenses protect against sun glare in accordance with EN172:1995 and the Fog-Off™ lenses protect against fogging in accordance with clause 16 of EN 168:2001 (N).

**STORAGE AND TRANSPORTATION:** These products should be stored in a soft padded, non-scratching bag and take care not to place heavy objects on top. For transportation, place products in a case suitable to protect the products from light impacts.

**CLEANING:** These products should be cleaned using a soft, non-abrasive, microfiber cloth.

**MATERIALS WARNING:** Materials which may come into contact with the wearer's skin could cause allergic reactions to susceptible individuals.

**SCRATCHED OR DAMAGED OCULARS WARNING:** If the product lenses become scratched or damaged, they should be replaced.

**ACCESSORIES:** This product is compatible with the Skullerz® Elastic Retainer Strap. Simply insert the retainer strap into the temple slot, the twist to lock in place.

A number of lens options are available for a variety of different applications:

- Clear - Good for indoor or low light conditions
- Smoke - Good for outdoor or bright light conditions
- Indoor/Outdoor - Good for both indoor and outdoor or low light conditions

**PRODUCT RANGE:** Saga Frame
