# COLD STORAGE SOLUTIONS

## LIVIN' THE SUB-Z DREAM

In the never-ending winter known as your workday, cold-related illnesses, injuries and mishaps are as relentless as your alarm clock on a Monday morning. But with the right mix of planning, regular breaks to warm up and the proper gear, you'll be livin' the sub-z dream, baby.

"ABSOLUTELY LOVE THESE GLOVES"

"I work in food distribution as a selector in the freezer and spend a lot of time in below zero temps. The grip is great and the touchscreen works amazing with my gear. Highly recommend if you work in temps below zero and need finger dexterity."
