

// COOL COMFORT

TENALUX™ YARN

CUT PROTECTION THAT PLAYS IT COOL

NO OTHER CUT-RESISTANT YARN FEELS QUITE LIKE IT.

Cut protection plays a cool hand with breathable and non-irritating TenaLux™ Yarn for maximum comfort that does not compromise protection. Combining cut-resistant yarn with cooling & moisture-wicking fibers, it's the coolest cut protection around.

- ANSI/ISEA 105-2016 A4 cut protection
- 360° breathability
- Cool-to-the-touch comfort
- No steel or fiberglass

“Excellent gloves! Breathable and my hands stay cooler in these gloves than others I’ve used.”

– Ergodyne.com Review
