

Chill-Its 5160 Reflective Hydration Pack - 3.0L Bladder

- ON-THE-GO HYDRATION - 3.0L hydration bladder provides instant access to water in any environment
- NO-BULK WEAR - Low-profile, contoured design with a buckle closure chest strap hugs the body to distribute weight evenly for stable, all-day wear
- NO-SLOSH CARRY - Internal baffle divider reduces water sloshing and stabilizes the load for a smoother, more comfortable carry
- CONTROLLED HYDRATION - Twist shutoff mouthpiece allows simple and precise control of water flow
