Skullerz 8955HP

Bump Cap Hat - Hearing Protection Headset Compatible

- MINIMAL WEIGHT, MAXIMUM HEAD PROTECTION - Lightest weight bump cap does not compromise protection against bumps, scrapes, bruises and other minor head injuries
- HEARING PROTECTION COMPATIBLE - Side cutouts provide seamless compatibility with most earmuffs and protective headsets
- BREATHABLE - Strategic 360° ventilation on insert, foam pad and hat for maximum airflow between the worker's head and the bump cap
- REMOVABLE BUMP CAP INSERT - Impact-resistant, high-density polyethylene shell with foam pad for durable protection
