

# SKULLERZ® 8945 UNIVERSAL BUMP CAP INSERT BONK-PROOF YOUR BALLCAP

Strategically placed vents allow for continuous airflow and breathability

Weighs less than 3 oz.

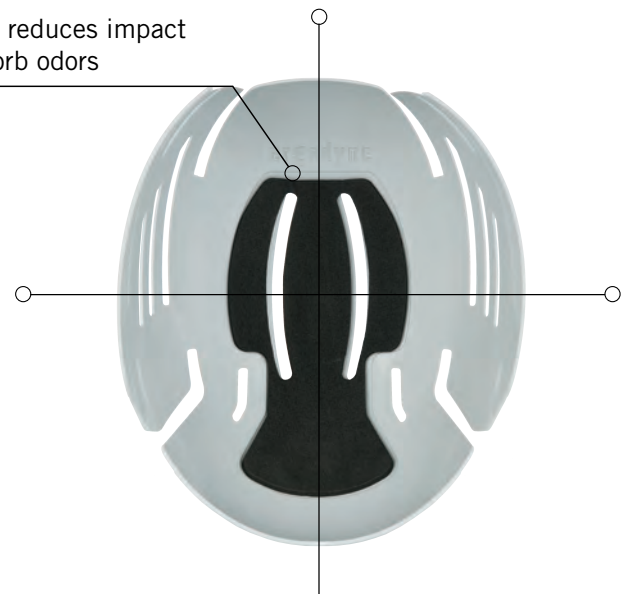

Patent pending

**40% MORE VENTING  
THAN PREVIOUS  
ERGODYNE VERSION**

Durable lightweight  
polypropylene construction

Innovative “trim-to-fit” feature  
allows height to be adjusted to  
fit different cap designs

Closed cell foam reduces impact  
and will not absorb odors

Horizontal and vertical two-way flex design adds  
protection from worker-generated impact to any cap
