

SKULLERZ®

8971 LED

CLASS E FULL BRIM HARD HAT + LED LIGHT

Color Options

ITEM #	SIZE	COLOR
60152	—	White

The Skullerz® 8971 Class E Full Brim Hard Hat + LED Light with Ratchet Suspension is designed to be lightweight and comfortable while still offering heavy-duty protection against both falling objects and stationary bumps and knocks. This hard hat solves one of the biggest challenges workers face: using a hard hat with light attachments. This hard hat has integrated front and rear slots for secure attachment of the included Skullerz® Hard Hat Headlamp, as well as other common accessories like ear protection or hard hat face shields.

Features

- Front and rear slots for secure light attachment of included LED light
- Padded, moisture-wicking, odor-resistant sweatband
- Flexible open frame for improved air circulation
- Easy, one-handed adjustment knob
- Full brim hard hat provides protection from the elements

Application

- Construction
- Utility jobs
- Oil & gas
- Road work
- Forestry
- Mining
- General site work
- At-heights work

PREMIUM 4-POINT RATCHETING SYSTEM WITH DEDICATED ACCESSORY ATTACHMENT POINTS
